- B.** In World Series or Nationals play, time limits may be used for pool-play and consolation brackets, if approved by the Vice President of Baseball.
- C.** Age divisions 12 and below shall play 6 inning games. Age divisions 13 and above shall play 7 inning games.

- D.** A team may continue a game with one less player than it started with, whenever a player leaves the game for any reason other than ejection.
1. If the player leaving the game is a runner, he shall be declared out.
 2. When the player who has left the game is scheduled to bat, an out shall be declared for each turn at bat.
 3. The player who has left the game cannot return to the lineup, except for Communicable Disease Procedure Reasons.

E. MERCY RULE

<u>LENGTH OF GAME</u>	<u>RUN DIFFERENTIAL</u>	<u>START INNING</u>
6 innings	15	3 rd inning
6 innings	8	4 th inning
7 innings	15	3 rd inning
7 innings	12	4 th inning
7 innings	8	5 th inning

NOTE: In enforcing these rules, the home team shall not bat if the mercy requirement is met prior to the bottom half of the listed inning.

- F.** Whenever a tag play is evident, runners must slide or seek to avoid contact with the fielder. Malicious contact shall supercede all obstruction penalties.

Penalty: Runner shall be declared out and may be ejected at the umpire's discretion.

Note: When enforcing this rule, the umpire should judge the runner's intent. If the umpire feels that the contact was unintentional, then the runner should only be declared out. If the umpire feels that the contact was intentional and/or malicious, then the runner should be declared out and ejected.

- G.** At any time, the team at bat may use a courtesy runner for the current pitcher and catcher. The courtesy runner must be someone not presently in the lineup and may appear as an offensive player one time per inning. The re-entry status of the courtesy runner, pitcher, and catcher, shall not be affected by this rule. If a courtesy runner is determined to be ineligible, a proper replacement (if available) will be substituted.
- H.** In age divisions 12 & under and younger, an intentional walk may take place by announcement from the catcher or pitcher.
- I.** In all age divisions starting players may re-enter once, but must re-enter in their original position in the batting order. Non-starters are not allowed to re-enter. When a starter re-enters, the player in the starter's batting order must be take out of the game and is ineligible for the remainder of the game.
- J.** In all age divisions, an Extra Hitter (EH) will be allowed. This will give a team a 10-player line-up that must be declared before the start of the game and used the remainder of the game. The player in the EH position, while not actually playing a defensive position, will be treated as though they are for substitution purposes. The re-entry rule applies for the EH.
A.R.- Baker is the EH and batting 2nd. Charles is the catcher and batting 3rd. Baker can become the catcher and Charles the EH. Both players would remain in their original batting order.
A.R.2. – All players can move freely in defensive positions – the EH is considered a defensive position.
- K.** In age groups 15 and above, if the Extra Hitter is not be utilized, then the Designated Hitter (DH) may be utilized in accordance with the National Federation of State High School Associations baseball rules.
1. A DH may be (not mandatory) designated for any one starting player (not just pitchers) and all subsequent substitutes for that player in the game.

 3. A DH for said player shall be selected prior to the start of the game, and his name shall be included on the lineup cards presented to the umpire-in-chief and to the official scorer.
 4. Failure to declare a DH prior to the game precludes the use of a DH in that game.

5. If a pinch hitter or pinch runner for the DH is used, that player becomes the new DH.
6. The player who was the DH may re-enter as the DH under the re-entry rule.
7. A DH and the player for whom he is batting are locked into the batting order. No multiple substitutions may be made that will alter the batting rotation.
8. The role of the DH is terminated for the remainder of the game when: (a) The defensive player, or any previous defensive player for whom the DH batted, subsequently bats, pinch-hits, or runs for the DH; (b) The DH or any previous designated DH assumes a defensive position.

8.04 PITCHING

The end of the day for this pitching limitation rule is the time of day or night when the ballpark is shutdown and the teams go home for the night break. Games that, either because of rain delay or otherwise, extend past midnight or start late at night past midnight and before the teams take the night break, will still count as though they are on the previous day's play. If the game continues after the night break (the next day), that part of the game will count as though it was the following day.

LIMITATIONS

1. Column A represents the number of innings a player can throw in 1 day and still pitch the next day.
2. For purposes of this rule in the columns listed, a pitcher is in violation of this rule if he makes any appearance above the pitching limits.
3. For all cumulative totals in this rule, one out equals one-third of an inning, two outs equal two-thirds of an inning and three outs equal a full inning.
4. In age divisions 12 and below, a player that pitches two consecutive days must rest the third day regardless of the number of innings pitched.
5. Exceeding the maximum innings allowed in the case of a double or triple play will not be counted against the pitcher.
6. It is the responsibility of each team's manager to challenge pitching violations by notifying the umpire and then the Tournament Director.
7. Any innings pitched, or outs recorded, during a game that is forfeited shall count towards all pitchers' allotted innings.

PENALTY: Any violation of pitching limitations shall result in immediate forfeiture of the game.

BALKS

In age divisions 10 and below, pitchers will be allowed some leniency in regard to balks. Pitchers will be called for all major violations and warned for minor violations that do not affect the outcome of a play. In all other divisions, balks will be strictly enforced without warning.

TRIPS TO THE MOUND

When a team is charged with its second trip to the mound, in the same inning, to the same pitcher, the pitcher must be removed from the pitching position for the remainder of the game. The pitcher may be moved to another defensive position.

PITCHING CHART

Column A – The number in this column represents the most innings a pitcher can pitch in 1 day and still pitch the next day.

Example: In the 10&under age division, a pitcher may throw up to 4 innings in 1 day and throw again the next day. But if that pitcher throws 4 1/3 innings or more in 1 day, he cannot pitch the next day.

Column B – The number in this column represents the most innings a pitcher can pitch in 1 day.

Example: In the 10&under age division, a pitcher may throw a maximum of 6 innings in 1 day. The pitcher would not be allowed to pitch the next day.

Column C – The number in this column represents the most innings a pitcher can pitch in 2 consecutive days.

Example: In the 10&under age division, a pitcher may throw a maximum of 8 innings in 2 consecutive days. This is to be interpreted as a pitcher would be able to throw any combination of innings that equal 8 as long as the first day does not equal more than 4 innings due to column A requirements.

<u>DIVISION</u>	<u>A</u>	<u>B</u>	<u>C</u>
8&under	3	4	6
9&under	4	6	8
10&under	4	6	8
11&under	4	6	9
12&under	4	6	9

16&under	5	7	12
17&under	NONE	UNLIMITED	UNLIMITED
18&under	NONE	UNLIMITED	UNLIMITED
Adult	NONE	UNLIMITED	UNLIMITED

NOTE: It is important to remember that in age divisions 12 and below, pitchers that pitch 2 consecutive days must rest the third day – regardless of innings pitched (see 8.04(1) LIMITATIONS 4).

- L. The following rules will determine which teams will advance out of their pools.
 1. WIN-LOSS RECORD
 2. HEAD TO HEAD
 3. FEWEST RUNS ALLOWED
 4. HIGHEST RUN DIFFERENTIAL – Determined by taking total runs scored minus total runs allowed. The maximum run differential per game is +8 or –8.
 5. COIN TOSS
